Farmingville, NY – On September 30, Councilmen Kevin LaValle visited Newfield High School to honor Student of the Month Daniel Stone. In addition to being a strong student academically, Daniel participates in the BOCES Electrician Program, working towards his goal of becoming an electrician. He serves as the Vice President of Skills USA for the Long Island Region and recently traveled to Kentucky and Washington DC for trade conferences where he helped run and participated in the events.

Councilman LaValle said, "I am very impressed with Daniel's motivation, passion and leadership. He is a fine young man who has a bright future ahead of him. He'll surely make a good electrician."
